At the beginning of the meeting, the Chairman expressed thanks to all attending shareowners, and introduced the Board of Directors, the six sub-committees, the Company's Top Executive Management Members, Chief Financial Officer, Executives, Legal Advisors, the Company's Auditors and **Independent financial advisor**.

He then notified the meeting that for the 58<sup>th</sup> Annual General Meeting 2023, the Company had already offered an opportunity to shareowners to propose any matters as an agenda and/or nominate person for election as director by sending a letter to Mrs. Duangrudee Milintanggul, the Company Secretary from 1<sup>st</sup> - 31<sup>st</sup> December 2022. However, the Company had received no response.

Mrs. Duangrudee Milintanggul, the Company Secretary was assigned to inspect all shareowners' documents before the commencement of the meeting, with the result that there was no argument concerning the documents of the attending shareowners.

Immediately following, the Company Secretary clarified to the meeting the Rules and Regulations of the Securities and Exchange Commission and the Stock Exchange of Thailand concerning procedures to organize the shareowners' meeting of public listed companies as per the following details:

1. Shareowners have the right to question and comment on every agenda.

If the question pertains to matters outside of the agenda, shareowners could raise this during consideration of Agenda 8, Other Matters.

2. Method of Vote Casting and Counting

- 2.1 According to the Company's Articles of Association No. 43, when casting a vote - one share is counted as one vote.

- 2.2 Casting a vote in every agenda must be done openly.

To cast a vote, one must raise a placard received from the registration counter in front of the meeting room. Each Shareowner can cast only one vote: either to approve, disapprove or abstain from voting. In vote-counting, only the votes of disapproval and abstention, including void ballots (if any), shall be subtracted from the total number of eligible votes in attendance at the meeting. The remainder shall be counted as the approved votes for each item on the agenda.

Void ballots are cases where more than one box is chosen on the ballot or where there are cross outs or corrections on the ballot without accompanying signature.

- 2.3 In a case where the shareowner gives power of attorney to another person to attend the meeting and cast votes on his or her behalf by submitting the Power of Attorney letter in advance to the Company, the Company would have recorded the shareowner's vote in accordance with his/her wishes into the vote processing system accordingly.

3. In order to ensure that the vote-counting is conducted in an orderly, convenient and transparent manner, the barcode system was used to enable simultaneous view of vote-counting on each agenda on the screen by all shareowners.

- 3.1 In every agenda except the election of directors, the shareowner who wished to cast a vote to disapprove or abstain would raise the placard. Then the company staff would read the barcode of the placard for vote summary and give to that certain shareowner a voting card to be filled with the number each shareowner

received at registration, their comment, along with their signature. Upon completion of the voting card, the company staff would immediately collect the voting card as evidence for such vote.

3.2 For the agenda of election of directors:

Shareowners identified their comments on election of directors individually and affixed their signature. In case of disapproval or abstention votes, the shareowner was requested to raise the placard for counting by the assigned staff who subsequently collected this card from all shareowners after the conclusion of this agenda.

4. In case any shareowner arrived at the meeting after the meeting already commenced, the shareowner had the right to vote only on agenda items which had not yet begun consideration. The Company would then count the votes of the late attendees as the quorum starting from the voted agenda for record in the minutes of the meeting.

The Board of Directors reserved the right as shareowners to cast an approval vote in every agenda. For proxies authorized by other shareowners, the vote must be in accordance with the proxy form.

In this meeting, the Company arranged to record the meeting in the form of video media.

The Chairman of the Board of Directors then handed over the meeting agendas to Mr. Thamarat Chokwatana, President and Executive Chairman, for further conduct of the meeting.

In order to comply with Securities and Exchange Commission guidelines entitled "Procedure to organize Annual General Meeting", the registration staff checked the number of the meeting attendees when moving forward to every new agenda, and informed the results to the attending shareowners for acknowledgement.

The retirement of directors in the first and second year after registration of the Company shall be done by drawing lots. In subsequent years, the directors holding office the longest period shall retire, and the retired director might be re-elected". At present, there are 12 appointed directors and in order to comply with the Company's Articles of Association, the following 4 directors had to retire in due course:

- |    |              |                     |  |
|----|--------------|---------------------|--|
| 1. | Mr. Boonkiet | Chokwatana          | President and Executive Chairman                   |
| 2. | Mr. Amorn    | Asvanunt            | Independent Director<br>and Audit Committee member |
| 3. | Anuchit      | Anuchitanukul Ph.D. | Independent Director<br>and Audit Committee member |
| 4. | Mr. Somphol  | Chaisiroj           | Director   |

Additionally, Mr. Amorn Asvanunt had expressed the wish not to extend another year in office as director due to unavailability.

The Company provided the opportunity for shareowners to nominate persons with appropriate qualifications for election to the Board of Directors during the 58<sup>th</sup> Annual General Meeting 2023. However, no nominations had been made.

The Nomination Committee being responsible for consideration of individual persons according to the selection criteria and process with appropriate qualifications, knowledge, capabilities as well as an unblemished professional record, having no traits prohibited by law or the Company's Articles of Association, possessing leadership and vision, ethics and high moral character, who has a positive attitude toward the organization as well as sufficient time to devote to corporate responsibilities for the benefit of the Company's business operation. In addition, Board diversity was also a factor of consideration, whereby a Board Skills Matrix was prepared which defined the desired characteristics in a candidate, with emphasis on needed skills which may currently be lacking, in order to ensure that the Board comprised individuals on the basis of required knowledge and expertise in diverse professional fields, whose qualifications were well suited to the Company's business operation, as well as meeting the requirement of the vacant position and aligned with the composition and structure of the Board as prescribed in the business strategies and for the sake of continuity of corporate business operation. Moreover, consideration was also given to persons listed in the Directory of Professional Directors of the Thai Institute of Directors Association (IOD) and to the independence of the Independent Director in terms of efficiency in carrying out duties and responsibilities, including the ability to express views with independence in accordance with relevant guidelines, applicable laws and regulations pertaining to independent directors as part of a transparent selection process which creates confidence among shareowners. It was, therefore, deemed appropriate for the Board of Directors to propose to consider reappointing the 4 directors, who are resigned in due course, to serve another term on the Board. However, Mr. Amorn Asvanunt had expressed the wish not to extend another year in office as director due to unavailability, the Nomination Committee agreed to propose Mr. Pitak Pruittisarikorn, to take the place of Mr. Amorn Asvanunt, who is a well-qualified person and fits the requirement of the Stock Exchange Commission (SEC) and the Stock Exchange of Thailand and fully

qualified in accordance with the criteria for the Company's independent director with relevant guidelines, applicable laws and regulations pertaining to independent directors.

The Company's Board of Directors, excluding the gain and lose directors considered the candidates individually as screened by the Nomination Committee and agreed that the above-mentioned 3 directors are fully qualified in compliance with the Public Limited Companies Act of B.E. 2535 and regulations of Securities and Exchange Commission and have been thoroughly selected by the company's process. They possess the qualifications required by law, relevant regulations and suitable for the Company's business and qualities, knowledge, capabilities, expertise and experience in the Company business, with a proven record of longstanding contribution to the organization. For the candidates who were proposed to be the independent directors possess the qualification according to relevant guidelines, applicable laws and regulations pertaining to independent directors. Furthermore, those who had served on the subsidiary committees had also made a very positive contribution in their respective roles. It was therefore deemed appropriate to propose to the Annual General Meeting to approve the reappointment of the said 3 directors to resume their position for further business operation in the year 2023, and agreed to propose Mr. Pitak Pruittisarikorn as a director and independent director, to take the place of Mr. Amorn Asvanunt who has expressed his intention to not accept reappointment.

**(The profile of the nominated directors is enclosed as Enclosure 3).**

For this reason, shareowners were informed of the business operations of all directors elected according to the previous paragraph, wherein their business were the same type and in competition with the Company, whether for their own or others' benefits, of which details are as follows:

The meeting was requested to consider for approval such payment at the same amount of last year but not exceeding THB 20,000,000 per year.

The President and Executive Chairman allowed the chance for shareowners to inquire further, a shareowner posed the following question.

Khun Surawin Sawaengdee, Shareowner, posed the question:

- According to the Company, Director's compensation is set at the limit of THB 20,000,000.-, but very little is actually used. I don't know if the company uses too little or has too few meetings. If there are more meetings, will there be better performance or not?

The President and Vice Executive Chairman responded:

- The Company's Board of Directors meet at least once a month as a standard, unless there are special agendas. As for the Executive Committee, meetings are held at least once a week. There are also regular meetings of the other committees and sub-committees. In the event that there is a special agenda or urgent matters to be considered, additional meetings will be convened.

Regarding remuneration for directors, the Remuneration Committee reviews this annually.

Since there were no additional questions, the meeting was requested to consider approval of the proposed remuneration for directors.

Following consideration, the meeting approved this agenda as proposed by the Remuneration Committee with unanimous vote (two-thirds of the vote of shareholders attending the meeting and having the right to vote was required).

Total		793,057	731,900

Thai Itokin Co., Ltd., Canchana International Co., Ltd. and Tiger Distribution and Logistics Co., Ltd. did not use the same auditor as the Company because:

- Thai Itokin Co., Ltd.: despite the audit fee in 2023 has been increased, but when compared with the increase of audit fee of other auditors, the audit fee of the existing auditor is still cheaper.

- Canchana International Co., Ltd. is the company located in a foreign country, although the audit fee Tin 2023 has been increased, but when compared with other reasons, the audit fee of this company is still cheaper with more flexibility than using the auditor in Thailand.
- Tiger Distribution and Logistics Co., Ltd., as Tiger has been transformed into the Company's subsidiary company in 2022, this makes it impossible to change the new auditor in time, so the existing auditor has to be used.

Additionally, among 7 other associated companies, Thai Secom Security Co., Ltd. use the same auditor(s) as ICC.

Despite the fact that a number of subsidiary and associated companies do not use the same auditor(s) as the Company, the Company is still able to provide management oversight to ensure that these companies prepare and complete their Financial Statements in the required time frame.

It is noted that the proposed auditors have no relations, nor any potential gain or loss with the Company/Subsidiary Companies/ Executives/ Major Shareowners or persons related to the above mentioned persons. Therefore, they are independent to conduct the audit and give their opinions to the Company's Financial Statements.

The President and Executive Chairman gave a chance to shareowners for inquiry but none was raised.

The meeting approved this agenda to appoint the auditors and set the audit fees with the unanimous vote of shareowners who attended the meeting and were eligible to vote.

Agenda 9 To consider and approve the loan to Thanulux Public Company Limited which is a connected person.

The President and Vice Executive Chairman informed the meeting that in order to improve the efficiency of the Company's cash flow management, enabling the Company to receive a higher return than the average interest rate which Bangkok Bank Public Company Limited, Krung Thai Bank Public Company Limited, and Siam Commercial Bank Public Company Limited charges their most creditworthy major borrowers on loans (collectively "MLR") – 1 percent, or equivalent to an affixed rate of 6 percent per annum, which is a higher return than investing in deposits with financial institutions. The Board of Directors (excluding the director who has conflict of interest) deemed it appropriate to propose that the shareholders' meeting consider and approve the loan to Thanulux Public Company Limited ("TNL"), a connected person of the Company, in the form of a non-revolving loan in the amount not exceeding THB 500,000,000.-, as detailed below.

- Related parties :
  - Lender : I.C.C. International Public Company Limited ("ICC")
  - Borrower : Thanulux Public Company Limited ("TNL")
  - Relationship : I.C.C. International Plc. and Thanulux Plc. have the same major shareholder, namely Saha Pathana Inter-Holding Plc., holding shares of ICC = 24.81% and holding shares of TNL = 41.09%, respectively.

- Transaction description

It is considered a connected transaction under the Notification of the Capital Market Supervisory Board on Rules for Connected Transactions, Financial Assistance type, with the transaction size of more than THB 100 million or 3% of the company's NTA, whichever is lower.  
(3% of the Company's NTA is 852 million baht as of 31 December 2022).
- Company's NTA as : THB 28,418 million  
at 31Dec. 2022 (3% of NTA is THB 852 million)
- Highest transaction : 1.97%  
size

- Transaction details :

- Value of financial assistance	Credit line not exceeding	500 million baht
	<u>plus</u> returns at the rate of 6% per annum*	60 million baht
	<u>plus</u> value of possible damage if loan is not repaid	<u>-</u>
	Total	<u>560</u> million baht

\* Note: The current average interest rate of MLR - 1% of Bangkok Bank Public Company Limited, Krung Thai Bank Public Company Limited and Siam Commercial Bank Public Company Limited as of March 9, 2023 is equal to 5.38%. Therefore, in considering the return for calculating the transaction size, the percentage is set at 6% per year, which is the higher rate.

- Interest rate : Not exceeding MLR – 1% per annum or at 6% per annum, whichever is higher.
- Period : Not more than 2 years
- Interest payment : End of every three-month period from the date of receiving the loan.
- Loan repayment : Pay off the entire amount of the loan that has been disbursed at the end of the period of 2 years from the date of receiving each loan.

  2. The Borrower must arrange the payment of debts under financial documents as debts of the same order (pari passu) as other unsecured creditors without other rights of the Borrower

- Collateral : - None -
- Objective of transaction : In order to more efficiently manage the Company's cash flow and to receive a higher return than investing in deposits with financial institutions.

During the 6-month period prior to the date of entering into this transaction, the Company has not entered into any other connected transactions with the same connected persons or related persons or close relatives of such persons, Since such transactions have a transaction size of more than THB 100 million or 3 percent the Company's NTA, whichever is lower, resulting in the Company having to meet the following conditions:

- Must have approval from the Board of Directors to enter into this transaction as well as preparing and disclosing information regarding the transaction to the Stock Exchange of Thailand.
- Must propose to the Shareowners meeting for consideration and approval which requires a vote of not less than three-fourths of the total votes of shareowners who attend the meeting and having the right to vote, excluding the shareowner who has conflict of interest.
- Must appoint an independent financial advisor (IFA) which is approved by the Securities and Exchange Commission.

The Board of Directors, excluding directors who have conflict of interest, carefully considered the matter and deemed that granting TNL a loan according to the returns and conditions is beneficial to the Company and shareowners of the Company due to the following reasons:

- The interest rate is appropriate compared to investing in deposits with financial institutions and compared to the level of risk.
- It is more efficient in terms of cash management. The interest received is higher than the rate of return on fixed deposits in order to maximize the benefit to the Company. Furthermore, the Company has sufficient cash flow to operate the business according to the Company's business plan and there is no financial cost that is higher than the interest rate that the Company will receive.
- In addition, the Company has held shares in TNL for a long time and the two entities have the same major shareholder, which allows it to understand TNL's business and the risks associated therein well. Moreover, contact and coordination between the Company and TNL is flexible and should enable the Company to track loan repayments, financial status and ability to conveniently pay off debts.

It was, therefore, deemed appropriate for the Board to propose to the Annual General Meeting to approve the said granting of a non-revolving loan to Thanulux Public Company Limited, which is a connected person, in the amount not exceeding THB 500,000,000.

The details of entering into a loan transaction with TNL in the amount not exceeding THB 500 million appear in the Information Memorandum, Enclosure 4 and the Report of the Independent Financial Advisor, Enclosure 5 in the Invitation to the Annual General Meeting of Shareowners which was sent 21 days in advance of the date of the Annual General Meeting.

The meeting was therefore requested to consider and approve this matter.

This agenda must be approved by a vote of not less than three-fourths of the total number of votes of the shareowners attending the meeting who are eligible to vote, excluding those who have conflict of interest.

The list of shareowners who have conflict of interests as of the record date (March 27, 2023 ) for determining the names of shareowners who are entitled to attend the meeting is as follows:
